

REMARKS

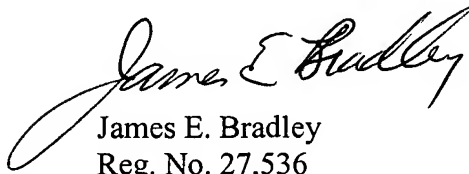

Applicant certainly appreciates the allowance of claim 6. Applicant also appreciates the indication of allowance of claim 9, if amended to become independent, incorporating the requirements of claim 7. Applicant has cancelled claim 7 and placed the contents of claim 7 into claim 9. Dependent claims to cancelled claim 7 have been made dependent upon claim 9.

In addition, applicant has incorporated the limitations of allowed claim 6 into claim 2. Applicant submits that claim 2 and its dependent claims should be allowable. Further, applicant has added new dependent claims 18-22. Claims 18 and 19 depend from claim 5, which in turn depends from claim 2. Claims 20-22 depend from claims that in turn depend from allowed claim 6.

Applicant is enclosing a fourth supplemental information disclosure statement identifying US application S.N. 10/209,501, which has the same inventor, is owned by the same assignee and deals with conservatory structures. Applicant is also enclosing a request to extend the time for one month. Applicant no longer qualifies as a small entity.

The application should now be in condition for allowance and favorable action is respectfully requested. If any additional fees are due, please charge them to Bracewell & Giuliani deposit account 50-0259.

Respectfully submitted,
